WORLD PACKAGING AWARDS 2025

世界包装大奖

在全球制造业绿色转型与消费升级双轮驱动下，包装行业正在经历前所未有的变革。作为全球包装产业生态的展示平台，WEPACK世界包装工业博览会洞察到行业未来的发展趋势已不再局限于单一领域，而需贯穿全产业链协同创新。因此，WEPACK将旗下两大旗舰赛事——PACKCON STAR AWARDS & WCA全球瓦楞行业大奖深度融合，正式升级为“世界包装大奖”。该奖项以推动全产业链的升级为价值导向，以市场应用为锚点，通过“技术研发-生产效能-商业价值”闭环的创新评估体系，向全球征集优秀案例，加速推动包装行业向绿色化、智能化、高附加值方向迈进。

Under the dual impetus of the global manufacturing industry's green transformation and consumption upgrade, the packaging industry is undergoing unprecedented changes. As a global exhibition platform for the packaging industry ecosystem, WEPACK World Packaging Industry Expo has observed that the future development trend of the industry is no longer confined to a single field but requires collaborative innovation throughout the entire industrial chain. Therefore, WEPACK has deeply integrated its two flagship events - PACKCON STAR AWARDS and WCA Global Corrugated Industry Awards - and officially upgraded them to the "World Packaging Awards". This award is guided by the value of promoting the upgrading of the entire industrial chain, with market application as the anchor point. Through an innovative assessment system of "technology research and development - production efficiency - commercial value" closed loop, it solicits outstanding cases globally, accelerating the advancement of the packaging industry towards green, intelligent, and high-value-added directions.
